New things are coming in for you to use

This month, dear secretaries and all, The Union will contain as many of the new/old things as we can so you will have a better idea of what we have available. Our catalog is getting on line, so you can check the list there, too, but it isn't complete yet. We are working as much as we can to get it up for all to see, planning to complete it during the summer months.

Thanks to David Halaas, Augsburg came through with a shipment of 7 boxes of books, a few CD's and videos. What a wonderful time of unpacking and seeing all the great educational materials we now have available in the Resource Center! A lot of that will be listed in this issue, plus some other great things we have received.

Probably, as you read this, the Soul Support seminar will have already happened. Greg enthralled the group with his Power Point presentation while another part of the group came upstairs to the Center. The participants all signed in as they came to tour the RC. From that list, invitations will be sent to those who were unable to be here for Soul Support to come and see us. We want all of you to witness what we are about here, and how we can perhaps make your life a little easier.

One other little reminder: be sure to share this newsletter with your pastor(s) so they can be a-

vised of resources that are available here. Don't keep this information to yourself! Why not make copies—it's legal! Whoever in your congregation, Committee chairs, Council presidents & members, Education boards, Sunday School superintendents, teachers, confirmation workers, worship planners, music personnel, W/ELCA people – just anyone who has a leadership role can find helps here. AND lay folks who are interested in growing their faith. Tell them what we have, our telephone number, web site address or street address. We appreciate all your help and promotion!

Oh yes! One more thing. We really need to hear from you and your pastor about what kind of resources you would like to have access to here in the RC. Maybe there is something you have seen advertised somewhere that looks good—let us know. Perhaps we can get it for everyone to use. And, do you have a resource in your congregation you don't use any more and would be willing to donate it to the RC for others to use? Let us know about that, too.

Well, read The Union through carefully and pass on whatever information your people could use. We're here to help in any way we can.

Thanks for your help and support!
