Our lives can change so quickly.....!

Hi to all,

How fast our world and our lives can change! By the time you read this, it will be a month since all the grief and turmoil in New York. Who ever would have believed something like this could happen in the United States?

As grief comes to all of us in one form or another, at sometime in our lives, we have to trust everything to God and let that wonderful love and peace, that only God can provide, fill our hearts and minds. May we experience that peace of God.

The whole Crew has been busy this fall, speaking, preaching, presenting and promoting! Greg & Diane, Bonnie & Howard were to Ezekiel Lutheran in River Falls September 16 with our tubs of resources, computer/web cards/ power point presentation.

On Sept. 23, Diane & Kathy were at Christ Lutheran in Menomonie where Kathy preached, Diane presented the powerpoint program on Malawi & Stand with Africa. That same day, Greg, Bonnie and Howard toted the tubs to First Lutheran in Prentice. Greg preached and presented the power point/web card program; Howard and Bonnie set up the display, sold/ demonstrated web cards--all had a good time.

Greg & Diane were also at the Fall Theological Event at Cable presenting Malawi, etc.

There are other appearances

coming up in October and November, and who knows? The Crew may show up at your church dinner or celebration you are having this fall. If our schedules can all get synchronized, we going to try to make a few of them.

In the mean time, new things have been coming daily to the Resource Center. With so many great resources available, we are trying to stay on the cutting edge and acquire the latest, greatest things for you to use.

One such item is one of the best publications out there for birth to age five helps in child development, "Slow and Steady, Get Me Ready". It is written by June R. Oberlander, a retired kindergarten teacher. To find out more with a better description, go to the Online catalog for the RC.

We are also subscribing to two magazines: one is called "Church Educator" from Educational Ministries, Inc. It contains good articles, suggestions and tips for children, youth and adult education. Come check it out. Magazines can be out for only 1 week so others may use them. You can put your name on the waiting list.

The other magazine is, "Church Worship" also published by Educational Ministries, Inc. It has stewardship helps, special worship services, other articles including skits, etc. You'll enjoy both helpful resources. Come see!
